

# “MEET THE BUILDER” OPEN-HOUSE MEETINGS

## Central Ferry-Lower Monumental Transmission Line

BPA is moving forward with construction of the 500-kilovolt Central Ferry Lower Monumental Transmission Line between Garfield and Walla Walla counties in eastern Washington. Construction will begin in May 2014 with line energization expected in December 2015.

You are invited to join us for one of two “Meet the Builder” open-house meetings to learn about the construction schedule, speak with the contractor hired to build the new line and meet the BPA project team.

---

Please visit the project website for more information, [www.bpa.gov/go/centralferrylomo](http://www.bpa.gov/go/centralferrylomo). If you have questions about the project, contact **Chad Hamel**, Project Manager, toll free **800-282-3713**, direct **360-619-6557** or by email at [cjhamel@bpa.gov](mailto:cjhamel@bpa.gov). For Americans with Disabilities Act accommodations, please call toll free at 1-800-622-4519.
