

Unassigned Account Request Form

(6/01/21 version)

This form is used to request funds from the EE Unassigned Account. Unassigned Account funds will automatically be allocated among requesting utilities on a TOCA-weighted basis unless utilities request to receive less.

Please complete the following fields to request Unassigned Account funds:

Utility

Authorized Representative Name

Authorized Representative Signature

Date

If you would like to receive less than your TOCA-weighted Unassigned Account allocation, please fill in the amount here:

(If you enter an amount in this field, you will receive either the TOCA-weighted allocation or the amount entered, whichever is less.)

You can cancel or update a prior Unassigned Account request by submitting a new Unassigned Account Request Form.

To cancel a prior Unassigned Account request, please check this box.
