Dear Ms. Magnelli:

This communication is the Bonneville Power Administration's (BPA) final response to your request for agency records made under the Freedom of Information Act, 5 U.S.C. § 552 (FOIA). Your records request was received by BPA on September 6, 2017 and acknowledged on October 10, 2017.

Request

"...a map or a diagram that indicates the relative location of the meters with respect to the Chester facility that would be helpful in our understanding (and that of our expert engineers) of how the power generation is monitored and distributed from the Chester facility which is an important issue in the ongoing discovery of the case, [which includes] ...Meters 3824 and 3858 for Generation and Station Service..., [and] ...all of the data regarding power generation at the facility to obtain the most accurate depiction of total hourly power generation and thereafter the total distribution, [which includes] ...data for the time period June 3, 2017-present... ."

Response

In accord with FOIA requirements, BPA has conducted electronic searches of records in the following agency offices:

Generation Asset Management
SPC Idaho Falls
Transfer Scheduling & ATF
Metering Services
Eastern Engineering
Western Customer Services
Transmission Sales

Responsive records were gathered. SPC Idaho Falls reports that they were unable to locate an agency record showing meter locations at the Chester Hydro Facility. Transfer Scheduling indicated that the Chester Hydro Facility is not owned or operated by BPA. Rather, the Facility is controlled by Fall River Rural Electric Cooperative (the Cooperative). BPA's Office of General Counsel reviewed the responsive agency records and determined that an exemption examination was necessary prior to a release of the Cooperative's information. BPA contacted the Cooperative to provide them with an opportunity to object to the release of their information contained in the agency records. The Cooperative has indicated to BPA that they have no objection to the public release of the responsive data. In accord with the FOIA, BPA is herein releasing 223 pages of responsive agency records in .pdf format, with no redactions, and also as Excel spreadsheets for your convenience.

Certification

Pursuant to 10 C.F.R. § 1004.7(b)(2), I am the individual responsible for the records release and determinations described above. Your FOIA request BPA-2018-00026-F is now closed with all available agency records provided.

Fee

There are no FOIA fees applicable to the fulfillment of your request for BPA records.
