Dear Mr. Belliveau,

The Bonneville Power Administration (BPA) has received your request for agency records made under the Freedom of Information Act, 5 U.S.C. § 552 (FOIA). BPA received your records request on October 19, 2021, and assigned your request the tracking number BPA-2022-00059-F. Please use that tracking number in any correspondence with the agency regarding your FOIA request.

Request

“Plan and profile map for the Big Eddy to Chemawa line in Aurora, at Butteville road.”

Acknowledgement

BPA reviewed your request and determined that it fulfills all of the criteria of a proper request under the FOIA and the Department of Energy’s (DOE) FOIA regulations at Title 10, Code of Federal Regulations, Part 1004.

Response

The agency collected one page of responsive records from knowledgeable agency personnel in the Geomatics office. We are releasing that page with minor redactions under 5 U.S.C. § 552(b)(6) (Exemption 6) to protect Personally Identifiable Information (PII). A more detailed explanation of the applied exemption follows.

Explanation of Exemptions

The FOIA generally requires the release of all agency records upon request. However, the FOIA permits or requires withholding certain limited information that falls under one or more of nine statutory exemptions (5 U.S.C. §§ 552(b)(1-9)). Section (b) of the FOIA, which contains the FOIA’s nine statutory exemptions, also directs agencies to release to FOIA requesters any reasonably segregable, non-exempt information that is contained in those records.

Exemption 6

Exemption 6 serves to protect PII contained in agency records when no overriding public interest in the information exists. BPA does not find an overriding public interest in a release of the information redacted under Exemption 6—specifically, names of landowners. This information sheds no light on the executive functions of the agency and we find no overriding public interest in its release. BPA cannot waive these redactions, as the protections afforded by Exemption 6 belong to individuals and not to the agency.

As required by law (5 U.S.C. § 552(a)(8)(A)), information has been withheld only in instances where (1) disclosure is prohibited by law or (2) BPA foresees that disclosure would harm an interest protected by the exemption cited in the record. When full disclosure of a record is not possible, the law further requires that BPA take reasonable steps to segregate and release nonexempt information. We have determined that in certain instances partial disclosure is possible, and have accordingly segregated the records into exempt and non-exempt portions.

Fees

There are no fees associated with the processing of your FOIA request.

Certification

Pursuant to 10 C.F.R. § 1004.7(b)(2), I am the individual responsible for the records search and information release described above. Your FOIA request BPA-2022-00059-F is now closed with the responsive agency information provided.

Appeal

The adequacy of the search may be appealed within 90 calendar days from your receipt of this letter pursuant to 10 C.F.R. § 1004.8. Appeals should be addressed to:

Director, Office of Hearings and Appeals
HG-1, L'Enfant Plaza
U.S. Department of Energy
1000 Independence Avenue, S.W.
Washington, D.C. 20585-1615

The written appeal, including the envelope, must clearly indicate that a FOIA appeal is being made. You may also submit your appeal by e-mail to OHA.filings@hq.doe.gov, including the phrase “Freedom of Information Appeal” in the subject line. (The Office of Hearings and Appeals prefers to receive appeals by email.) The appeal must contain all the elements required by 10 C.F.R. § 1004.8, including a copy of the determination letter. Thereafter, judicial review will be available to you in the Federal District Court either (1) in the district where you reside, (2) where you have your principal place of business, (3) where DOE’s records are situated, or (4) in the District of Columbia.
